

SPONSORSHIP PROGRAM

Come for the Knowledge, Stay for the Business

Sponsorship at its Strongest

The CCIM membership network includes brokers, leasing professionals, investment counselors, asset managers, appraisers, corporate real estate executives, property managers, developers, institutional investors, commercial lenders, attorneys, bankers and other allied professionals.

Through this business network, CCIM members successfully complete thousands of transactions annually, representing more than \$200 billion in value. Only 6 percent of the estimated 150,000 commercial real estate practitioners nationwide hold the CCIM designation, which reflects not only the caliber of the program but also why it is the most coveted and respected designation in the industry.

What is a CCIM?

A CCIM (Certified Commercial Investment Member) is a recognized expert in the commercial and investment real estate industry.

CCIM Institute is the premier provider of commercial real estate education and the industry's best-known and most highly respected membership organization. Its members hold or are earning the Certified Commercial Investment Member (CCIM) designation. Only after completing a rigorous program of 160 hours of case-study-driven education, submitting a portfolio of qualifying experience, and passing a comprehensive exam do members earn the right to wear the coveted CCIM pin.
